SCENTELIER'S
FARRINGDON

Telling your brand story through Beautifully British Fragrance
Experts in Contract Manufacturing

ARTISAN CHANDLERS

Scentelier's is a family-owned home of fragrance, spanning three generations and united by a shared pursuit of excellence in fragrance creation, craftsmanship, and customer care.

Based in the rolling chalk hills of Hampshire, just moments from Jane Austen's historic home, we are proud to be rooted in the quintessentially English village of Farringdon. It is here that we have grown our own retail brand, The Country Candle Co. to an international level, while continually refining our production facility and expertise.

Today, we partner with like-minded brands seeking a trusted manufacturing partner. From luxury retail and hospitality to corporate gifting, tourism, and designer collaborations, we offer a truly bespoke approach—tailored to your brand, your story, and your vision.

You bring the story. We bring the craft.
Together, we create beautifully British fragrance.
